So how was your freshman year? It wasn't bad now was it?!? (ONLY 3 YEARS 2 GO - SO Hang In there!!) I'm really glad I got to be close to you, you're really a special person just don't let anyone influence you on the things you don't want! Thanks for the all the time you listened to my problems and my high points. I sure hope our friendship will never end. I will never forget things that we did together. Remember all the fun, and laughter (BOREDOM too!) Remember all the times we talked for hours over everything we can think of! I hope next year we will be able to keep in touch (yeah, since I'm gonna be driving by then - I WILL BE - WATCH!!)

Your Bud Always,

Simone #1

Remember all the times we were scared on the way or anxious thinking that we got in trouble. Hey! remember that time we went to Albertsons and stole fruit. Imagine how many grapes & strawberries we've eaten!

Don't forget the ULTIMATE TIME OF OUR LIFE - DISNEY LAND! (Oh yeah) This summer is gonna be the best! I'll drive you everywhere & when I have to ride in your best friends car (cuz I'm on call - you better not forget here I'll be!)

Take Care

Next year's gonna be the best! (I'm finally gonna be a senior - no way -- me a senior Thats too funny!!) Hey this summer I'm gonna be down in San Diego (& see Tom Curren!) Maybe one day you can come and I'll introduce you to him (If you're lucky I'll even make you guys dinner, what do ya think? Burnt pancakes sound good?!?) I wish you the best of luck with James (You've got something good -- don't loose it!!) Anyways - Summer is here, meanwhile hang in there & don't party too much (You still have 3 years to go - save some for the other years.) See ya during this hot-n-wild Summer.

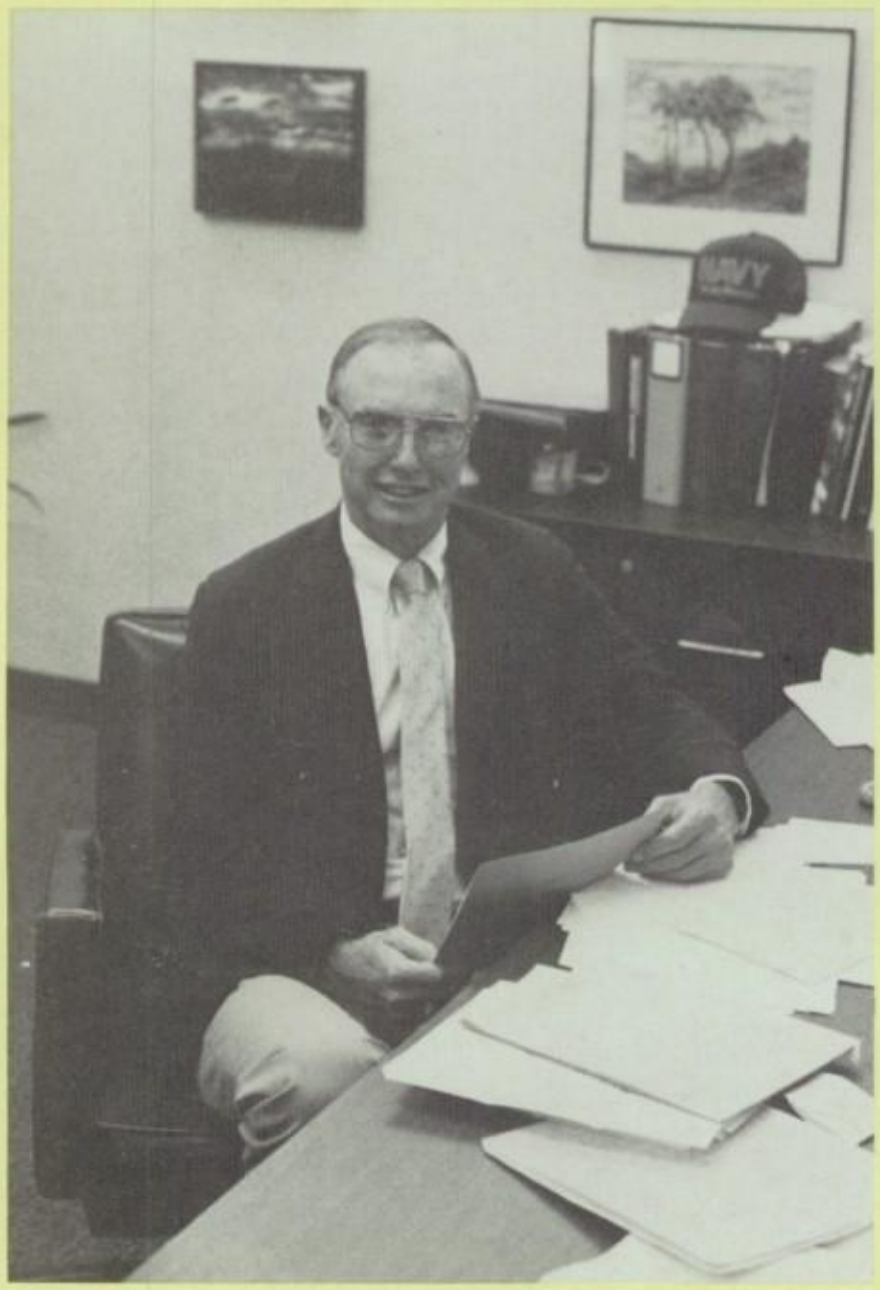
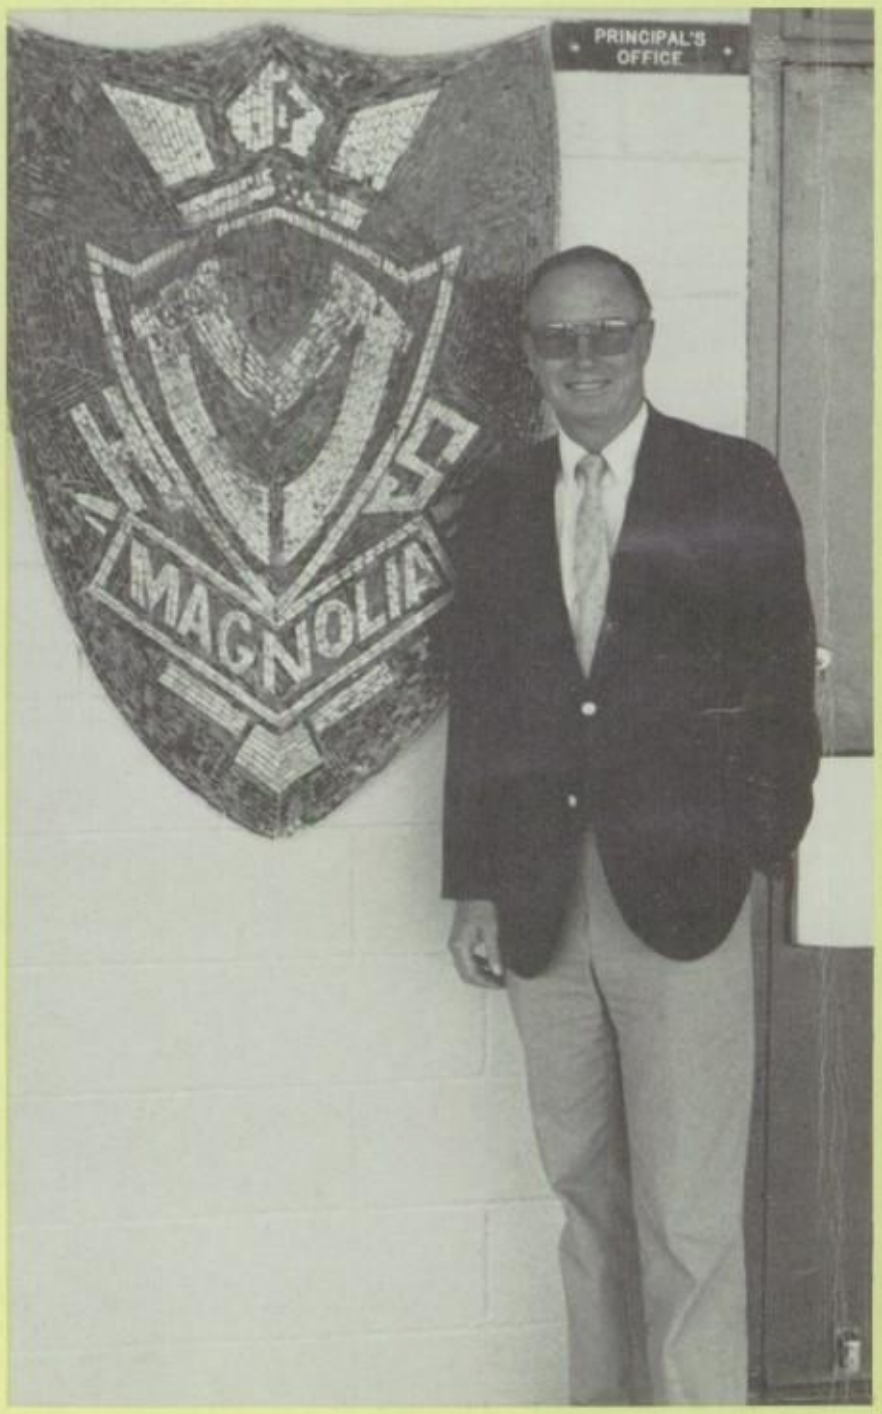
CONGRATULATIONS SENIORS

I am very pleased to offer my congratulations to the graduates of 1987. To be a member of this graduating class means you have met all the requirements of our District for the high school diploma. In order to meet these requirements has meant many hours of hard work and dedication. As you leave Magnolia you will find that what ever your aspirations you will succeed if you are intense in your dedication and committment to your goals. I hope the lessons you have learned these last four years will help you the rest of your lives. Good luck and my best wishes to each of you.

Donald Keys
Principal





Mr. Dudley
Asst. Principal

Dear Magnolia Graduates,

During the next few days and weeks, you will receive well-deserved congratulations from many people regarding your upcoming graduation. This is certainly one of those times in life when you have reached a goal set for yourself years before. It is also an excellent point at which to begin fashioning new goals for the future.

School provides you with the setting for different types of learning experiences. Through the expert instruction of your teachers, you acquired a lot of knowledge of the world in which you live. Of equal importance, though, is what your years at Magnolia have taught you about the type of person you wish to be.

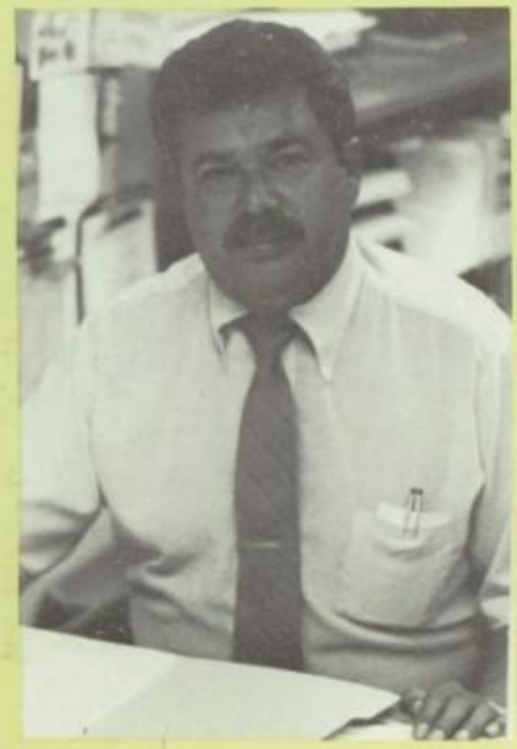
Congratulations again, graduate. All of us at Magnolia are proud of the person you have become.

And undergraduates, that goes for you too! Have a great summer and we shall see you in the fall.

David Loop

Magnolia Sentinels are a very cooperative, productive group of students. Having such a student body to work with, I have developed growing pride in serving as your assistant principal. For those students graduating this year, I offer my wishes for your continued success in adult endeavors. To those students who will return, I look forward to seeing you next year and hope your summer vacation will combine recreation and rewarding experiences.

Laura Moore



To the class of 1987 I offer my congratulations.

You and I arrived at Magnolia just four short years ago.

You have been a great class throughout these years and it's been a pleasure working with and for you.

Best of everything in the future, remember the Black and Gold wherever you go.

Wherever I go I'll always remember you.

Mr. Salazar

OUR SHADOWS FALL WHERE WE MAY NEVER BE

Whatever we do or fail to do and say has such subtle and far-reaching influence that we can never tell what the result will be. Our shadows fall where we may never be. A deed or word may set in motion forces that change the history of the world.

STUDENT BODY 86 - 87

ASB PRESIDENT NOEL TUAZON

ASB VICE PRESIDENT BILL STRAITS

This past year has been ultimately memorable both academically and socially for us. We will never forget the pride we felt while being a part of this great MAGNOLIA STUDENT BODY.

While at Magnolia, we strived for full involvement in school, (in due time it all paid off) being a part of Magnolia's athletic, social, and academic programs this gave us opportunities to enhance our PRIDE and SPIRIT.

As ASB PRESIDENT and VICE PRESIDENT our main goals for this year's student body was to have fun, involve all the students, and promote school SPIRIT. Our ASB Cabinet worked hard for achieving these goals and we think we were a success at it. We achieved these goals by attempting new and exciting ideas, such as our first ANNUAL WINTER FORMAL. Also in our activities and assemblies we involved more of our student body than previous years.

We would like to specially thank our advisor, Mr. Embree, and our financial secretary, Mrs. Merrill, for all your help. Without both of you our A.S.B. cabinet would not have achieved all of our successes. To everyone who is staying at Magnolia a little while longer ... GET INVOLVED!

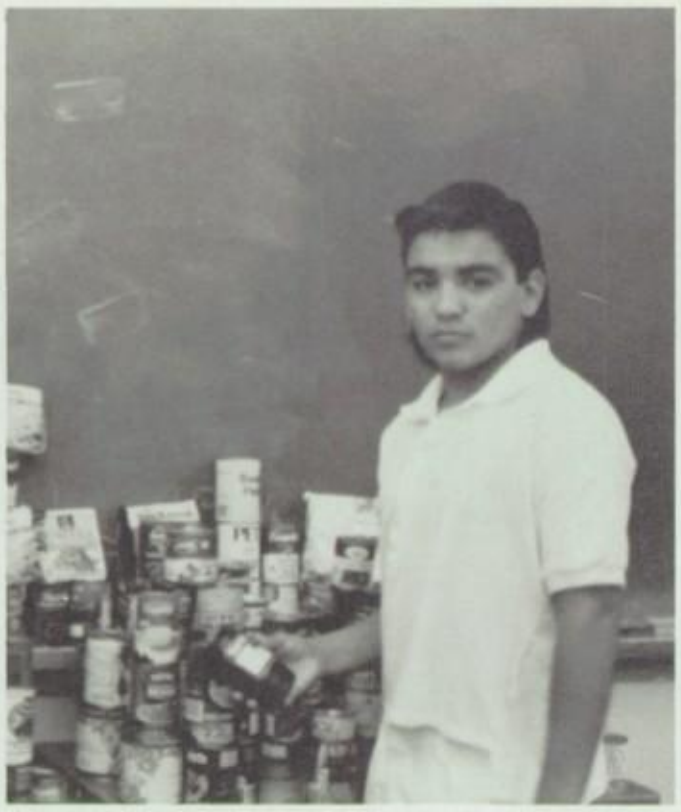
SENTINELS HELPING OTHERS

"This year's blood drive was highly successful," says Patty Morales, special projects. The goal was for 90 units and the Sents donated 89 units plus. The average school usually gives approximately 50-60 units. Over 130 students and faculty signed up to give blood. All the blood went to saving the lives, of approximately 360 people.



Thanks to generous students, staff members, and the ASB, needy families received turkey dinners for a happy Thanksgiving this year.

The ASB held a very successful canned food drive in November to raise food for the needy families of the community. In addition to the food drive, a money drive for Christmas was held from December 9th through the 17th which succeeded in raising over $1,500.00, $1,000.00 over the expected amount. Due to the school's care and support, there are now many families whose belief in the holiday spirit has been rekindled.

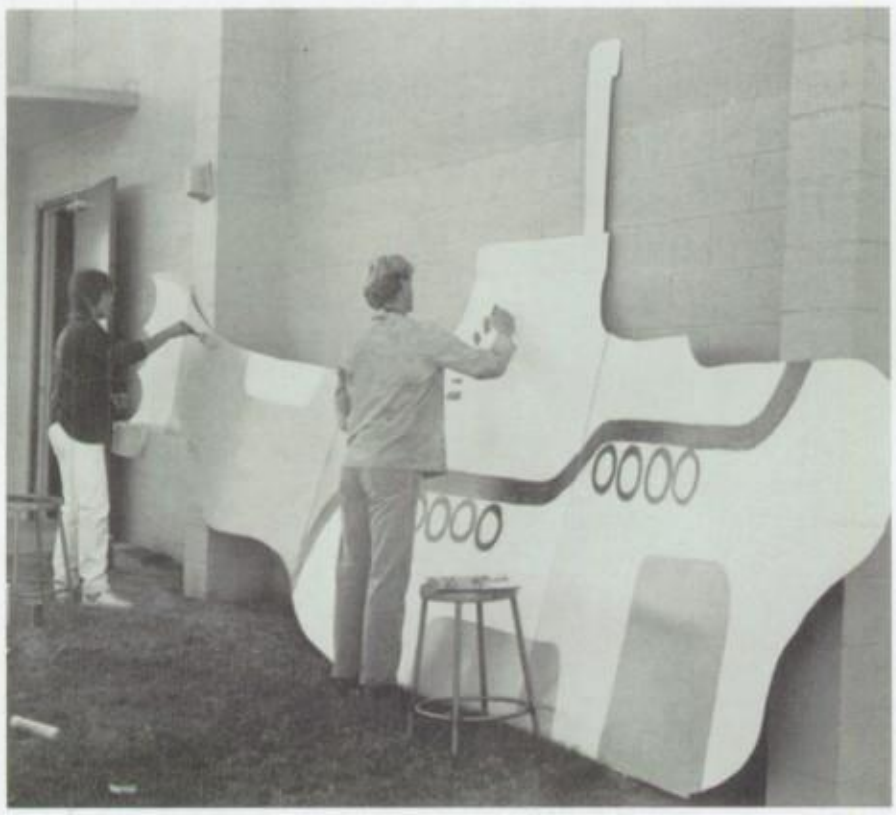
During the final week of the marching band season, a highlight to the show was being created. Since this was to be the last competition of the year, something special, different, and exciting was to be added. With the help of the art department the band's dream was achieved.

Like busy little elves, they quickly and expertly constructed what was to be the greatest crowd entertainer of the evening.

In honor of John, Paul, George, and Ringo, four large placards of their silhouettes were painted. Mr. Cendejas, the art teacher, chose students from his classes to sketch and paint the faces of the four Beatles. The art students also painted a yellow submarine to create an added effect.

The submarine was placed on the front side of the field to add a little bit of pizzazz to the idea of their show. The four silhouettes were placed on the back yard lines. With the help of band parents, the silhouettes were turned around and an excited cheer rose from the crowd.

The band and color guard would like to thank the art department and the following students for their time and effort: David Reel, Steve Seleska, Tracie McDonald, Gary Escobedo, John Fennell, Rudy Ledesma, Salvador Rodriquez, Jonas Preciado, Tom Woodburn, Dan Harrigan, Jeff Holt, Amador Portillo, Jon Frisan, Shane Levoit, and Patty Morales.



ART DEPT.

This years Art Department has been keeping themselves quite busy. This year the Art Department did all the art work for the Homecoming Dance, they also made Band props which were silhouettes of the Beatles, this was a great example of the fine work our Art Department can produce. Individual students have also been working on the artwork for their portfolio's. And last but certainly not least the photography Department, which is an extension of the Art Department, has helped greatly in supplying photos for the yearbook.

ARCADIA

It's a place of competition,
where victory lies.
All the bands are nervous,
approaching the judges eyes!

Mom's and dad's,
young and the old,
are anxiously awaiting,
the pride of the black and gold!

Getting on the busses,
with trophies in hand,
is the class and the spirit,
of the MAGNOLIA HIGH SCHOOL BAND!

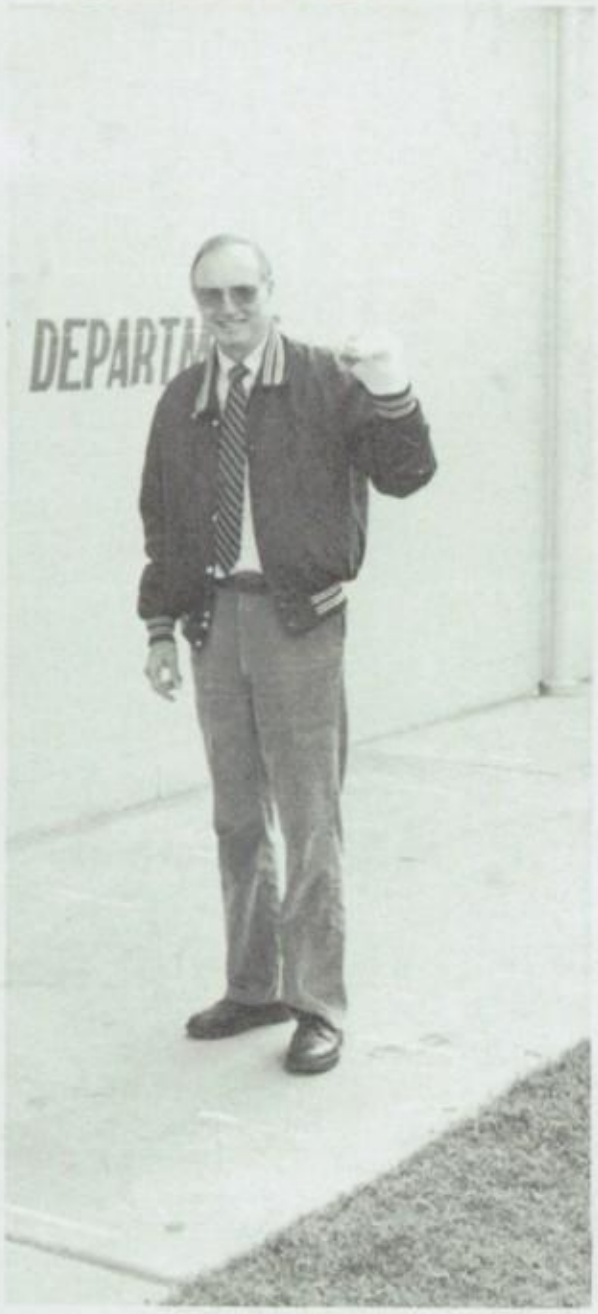
IN DEDICATION

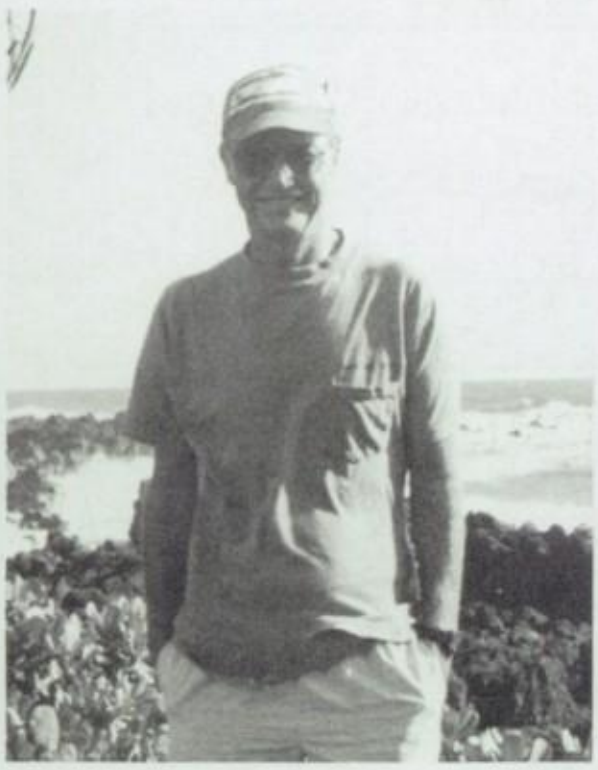
AFTER YEARS OF EXCELLENT SERVICE . . .



Mr. Don Keys started out in 1960 as a teacher of History and English at Brookhurst Junior High.

He rapidly climbed the educational ladder. In 1962 he became the flexible schedule coordinator at Brookhurst. In 1965 he advanced to Assistant Principal at Trident. He was also Assistant Principal at Brookhurst, Los Alamitos, and Cypress. He than became principal at Pine in 1979. He came to Magnoia in 1980 as principal and has brought spirit and encouragement to our school.

Now, Mr. Keys will be retiring. This is his last year at our school, so the yearbook staff has dedicated the 1986-1987 edition of the Cannon to him.



Mr. Keys has been a dedicated and hard working principal. He has given so much to his school and his students. He is filled with school spirit and has passed that along to his students. Next year's principal will have a difficult time filling his shoes.

Mr. Keys, remember us with kindness and friendship.

Good luck!

Vive le Roi! Vive la Reine!
International Club members enjoy celebrating holidays around the world. In January, they held a Fete des Rois or Kings' Day Party. A small bean is placed in a delicious almound paste cake, the galette. The person receiving this bean becomes the king or queen. The proud 1987 royalty posing for this festivity are Dionne Buskirk and Officer Dave Grace, Magnolia's resource officer who was a special guest for this occasion.

Your education can be the stepping stone to many successful experiences and activities during your life-time if you have adequately prepared yourself. On the other hand, the lack of an adequate education will be a thorn in your side for the rest of your life and will usually prohibit you from reaching the goals and dreams you have set for yourself. Take advantage of your opportunities NOW! They will never be easier or more available to you than right now.

VERN HUNSAKER

I encourage all of you to strive to attain the goals which you have set for yourselves. Keep moving forward. There are good and wonderful things awaiting you that persevere.
Life is a challenge but there is a special place for all of you . . . seek it. The choice is yours. God Bless you.

RAY SILVA

What a distinct pleasure it has been to observe the "Metmorphosis" of the class of 1987 from the naive, childlike ninth grader to the knowledgeable, dignified, goal-oriented senior! You have achieved many enviable goals, and you have left a challenge to those sentinels who follow you to not only equal your accomplishments in academics, athletics, school spirit but to try to surpass them. God Bless Each Of You As You Stride Forward Into Full Adulthood.

STELLA SWAKOSKI

My best wishes go to all the Seniors in your future endeavors. May You All Achieve Success And Happiness.
